They need to put something in their pre-approval stating that they understand they would be in 1<sup>st</sup> position and there are other legal documents that will go in 2<sup>nd</sup> and 3<sup>rd</sup> positions at closing. In addition, we have not had anyone be successful with getting a FHA loan (\*) for an affordable housing unit. Please discuss with your lender.

**Important information if you are applying to purchase an affordable unit:**

- The estimated monthly housing cost for a unit (including principal, interest, taxes, homeowner and private mortgage insurance and condominium and homeowner association fees as applicable) should not exceed 31% of your household's eligible monthly income. CJHRC is a HUD Approved non-profit housing counseling agency. It is suggested that in most situations, households should not be pre-approved for more than 3 times their gross household income.
- CJHRC may certify your household even if your housing cost could exceed 31% in certain circumstances. For example: In addition to a firm mortgage commitment at a higher level by a lender the borrower(s) received counseling from an approved non-profit counselor regarding the advisability of the loan transaction and the outcome of the counseling proves applicants can meet their housing and other obligation(s).
- Separated applicants purchasing affordable housing (also see #5 above) must provide a notarized release form from the spouse. This release form states that the spouse who is not applying for affordable housing is releasing any claim on the affordable home. If the spouse refuses to sign the release, the applicant can request a judge to require the spouse sign the form. This release form must be typed, completed, signed and notarized when a separated applicant submits income certification documentation to rent or purchase an affordable home/unit.

\* As of the date of this printing FHA was not allowing any of the restrictive covenants that must be recorded with an affordable housing unit. Therefore, an FHA Mortgage is not an option at this time for a State of NJ Low and Moderate Income Unit.
